### NOTICE TO CONTRACTORS

#### Fort George Electoral District

Bridge Project 868—Horsley Creek Bridge, Yellowhead Highway, Contract 1: General.

SEALED TENDERS, marked "Tender for Bridge Project 868—Horsley Creek Bridge, Contract 1: General," will be received by the Department of Highways at the Parliament Buildings, Victoria, B.C., up to 2 p.m. on Tuesday the 28th day of May 1974, and opened in public at that time and date. Tenders must be delivered only to Room 237, Douglas Building, Victoria, B.C., which is open from 8.30 a.m. to 12 noon and 1.10 p.m. to 5 p.m., Monday to Friday, except holidays.

The work to be carried out under this contract consists of the construction complete of a three-span, 241-foot bridge with a reinforced-concrete substructure the piers of which are supported on steel H piles, prestressed-concrete stringers, and a reinforced-concrete deck.

Plans, specifications, and conditions of tender may be obtained from the Provincial Government Plan Viewing Room, 108, 501 West 12th Avenue, Vancouver, B.C. V5Z 1M4 (telephone 879-7531), or from the undersigned for the sum of \$10 (cheque or money order made payable to the Minister of Finance), which is not refundable.

Construction of this contract shall conform to the requirements of the applicable sections of the Department of Highways "General Specifications for Highway Construction." If the bidder does not already have a copy of these specifications, one may be obtained from the Provincial Government Plan Viewing Room, Vancouver, B.C. V5Z 1M4, or from the undersigned for the sum of \$10 (cheque or money order made payable to the Minister of Finance), which is not refundable. All copies purchased are registered and amendments are forwarded when issued.

Each tender must be accompanied by a bid bond or a certified cheque in an amount equal to 10 per cent of the tender price. A performance bond and a labour and material payment bond, each in the amount of 50 per cent of the tendered sum, in a form acceptable to the Minister of Finance, must then be provided by the successful bidder upon receipt of notice of acceptance of tender. If a bid bond is supplied, this bond shall be forfeited if the tenderer declines to enter into a contract if called upon to do so. In the event that

the successful bidder supports his tender with a certified cheque, but fails to produce the required performance bond and labour and material payment bond within a period of 14 days from the date of issuance of notice that his tender is accepted, the Minister of Highways shall have the right to forfeit the tender deposit in its full amount or to the extent of the difference in cost between the bidder's tender and the accepted tender, whichever is the lesser.

Tenders must be made out on the forms supplied and enclosed in the envelope furnished.

The tender submitted is irrevocable for 60 days and may not be altered, amended, or withdrawn for any cause without the written permission of the Minister.

Tenderers are advised that all bidders will be required to satisfy the Minister of Highways, in writing, that they have the necessary qualifications to successfully perform the work. It is preferred that tenderers submit with their tenders a list stating the type, capacity, and present location (so that inspection can be made if necessary) of the equipment in their possession or at their disposal which is immediately available for the carrying-out of the work within the time limit specified without in any way curtailing or delaying any Departmental project that may be under contract at this date.

No tender will be accepted or considered which contains an escalator clause or any other qualifying conditions, and the lowest or any tender will not necessarily be accepted.

It is preferred that tenderers submit with their tenders a schedule of proposed construction operations showing estimated monthly progress for each phase of the construction work.

And it is mutually understood and agreed by and between the parties hereto that this Indenture shall be construed into a covenant running with the land.

TO HAVE AND TO HOLD unto the Grantee, its successors, and assigns forever.

THE GRANTOR HEREBY AGREES that for the purpose of installing the works initially, the Grantee may enter upon and have temporary access to those portions of Parcel A, Explanatory Plan 7427, of District Lot 106, Group 2 (except Parcel 1), Reference Plan 12128, NWD, and Parcel 1, Reference Plan 12128, of District Lot 106, Group 2, NWD, shown outlined in green on Right-of-way Plan 46004, which are adjacent to the right-of-way.

THE GRANTOR HEREBY COVENANTS and agrees with the Grantee that the Grantor will not do or knowingly permit to be done any act or thing which will interfere with or injure the said works, and in particular will not carry out blasting on or adjacent to the right-of-way without the consent in writing of the Grantee, provided that such consent shall not be unreasonably withheld:

And that the Grantor will not do or knowingly permit to be done any act or thing which will interfere with or injure the said works, and in particular will not erect, place, or maintain any building or structure on any portion of the right-of-way, without the consent in writing of the Grantee, provided that such consent shall not be unreasonably withheld:

THE GRANTEE HEREBY COVENANTS and agrees with the Grantor that the Grantee:

- (a) will not bury debris or rubbish of any kind in excavations or backfill and will remove shoring and like temporary structures as backfilling proceeds;
- (b) will thoroughly clean the site, raking up all rubbish and construction debris and leave the site in a neat and clean condition;

- (d) will, as far as reasonably necessary, carry out the construction, maintenance, repair, and (or) replacement and renewal of the said works in a proper and workmanlike manner so as to do as little injury as possible.

IT IS MUTUALLY UNDERSTOOD, agreed, and declared by and between the parties hereto that the covenants herein contained shall be covenants running with the land and that none of the covenants herein contained shall be personal or binding upon the parties hereto, save and except during the Grantor's seisin or ownership of any interest in the right-of-way and with respect only to that portion of the right-of-way of which the Grantor shall be seised or which he shall have an interest, but that the land shall,

nevertheless, be and remain at all times charged therewith:

And that, save as aforesaid, nothing in these presents shall be interpreted so as to restrict or prevent the Grantor from using the right-of-way in any manner which does not interfere with the security or efficient functioning of or unobstructed access to the said works.

All expenses incurred in the installation of the said works and for repairs, alterations, and maintenance thereto, and in the performing of any and all covenants herein agreed to be performed by the Grantee shall be borne and paid for by the Grantee, and the Grantee covenants and agrees to indemnify and save harmless the Grantor, his successors, and assigns, from any and all loss, damages, or other expenses in any way arising from or caused by anything done hereunder.
